TFM RESULTS, BY COUNTRY

The following tables provide the results of the Global Fund Board’s decisions on the proposals submitted under the Transitional Funding Mechanism (TFM). Table 1 covers the country-based proposals, and Table 2 the regional proposals.

Table 1: TFM results, by country

Notes:

1. In the following table, C/Approved = Conditionally approved.
2. For approved and conditionally approved proposals, the costs shown in the last column represents the upper ceiling approved by the Board. For proposals that were not approved, the costs represent the amounts requested by the applicant.
