Global Fund launches Replenishment Partner Update

The Global Fund launched its Replenishment Partner Update on 2 April 2019, a monthly digest of new communications resources to support the Global Fund's Sixth Replenishment. The update includes access to the Global Fund's photo and video library, selected news highlights, and a calendar of upcoming events and resources.

Resources in this update are

- The Sixth Replenishment Investment Case toolkit
- A World TB Day toolkit
- Step Up the Fight toolkit
- Donor and impact reports

In addition, the update features links to highlights of recent Global Fund mentions in news media.

The update is sent out by email to Global Fund partners, but anyone interested can now [subscribe to the update](#) in the Replenishment section of the Global Fund website.
