GLOBAL FUND SEEKS FEEDBACK FROM PARTICIPANTS IN COUNTRY DIALOGUES AND THE PREPARATION OF FUNDING REQUESTS

The Global Fund Secretariat is requesting people who were involved in country dialogues and the development of funding requests for the first window of applications for the 2017-2019 funding cycle to complete a confidential survey about their experiences. The Fund will use the results of the survey to improve the way it works.

The Secretariat said that information obtained through this survey will remain completely confidential. The deadline for completing the survey is 21 April 2017.

Respondents can complete the survey by going to www.surveymonkey.com/r/window1_eng. Or they can request and then complete a Word version of the survey by sending an email to A2Fsurvey@theglobalfund.org.
