The main decisions made at the meeting, in chronological order, were as follows. (For precise wording of what the Board agreed, see the decision points document that has been posted [here](#). Background documentation will also, in time, be posted by the Global Fund at the same location.)

New Funding Model. The Board passed two key decisions on the Fund's completely new approach to grant-making. [See Decision Points 4 and 5, and Articles 3 and 4 in this issue.]

AMFm future plans. The Board modified the AMFm funding mechanism and agreed to integrate it into the main Global Fund grants management system. [See Decision Point 6, and Article 5 in this issue.]

Selection of new Executive Director. The Board selected Dr Mark Dybul, the former head of PEPFAR, to serve as the Fund's next Executive Director. [See Decision Point 7, and Article 1 in this issue.]
