## Auditing the Auditor

In GFO 147, we ran a [commentary](#), “Auditing the Auditor,” in which we discussed some issues regarding the Global Fund’s Office of the Inspector General (OIG). Then, in GFO 148, we posted some [letters to the editor](#) in which the heads of five principal recipients (PRs) responded to the commentary.

GFO invites the OIG, the Secretariat and the Board, and also other GFO readers, to submit final letters to the editor in response to the above commentary and letters. Letters should be sent to the editor, [bernard.rivers@aidspan.org](mailto:bernard.rivers@aidspan.org), by 17 June 2011, for publication in an issue of GFO during the week of June 20.
