Volume 2 of Aidspan's Round 11 Applying Guide Will Be Released Soon

Aidspan plans to release the English version of Volume 2 of “The Aidspan Guide to Round 11 Applications to the Global Fund” within a few days of the launch of Round 11 (which is scheduled for 15 August). Volume 2 will include guidance on many of the questions on both the regular proposal form and the new common health systems strengthening (HSS) proposal form. The latter has been developed jointly by the Global Fund and the GAVI Alliance.

We cannot be more precise about the release date because we need time to review the final versions of the proposal forms and accompanying guidelines and attachments. Many of these documents will be released only on the Round 11 launch date.

When Volume 2 is posted, it will be available at www.aidspan.org/guides. French-, Spanish- and Russian-language versions should be posted within 2-3 weeks of the Round 11 launch date.
